For a **Limited Time** Get a Free Recording Session with Me Using Skype

I am only able to make this offer for a limited time. If you are interested in scheduling a free recording session via Skype, please email me at whmarshall@earthlink.net to see if the offer is still being made. If I can help you, I will.

In order to help as many people as possible, I am only offering one free recording session per person.

Here is why the recording session will be very valuable to you. I want to make sure that you get the most out of using these Power Affirmations. One thing I know for certain: just reviewing the affirmations will **NOT** generate the **power** and energy you need for achieving your goals.

You have to get into **ACTION**. You have to use the principle of constant spaced repetition with **EMOTION** in order to get the most out of these affirmations.

Motion—motivation—begins with **eMOTION**. Confidence is an emotion.

This is why Napoleon Hill said that you need to put EMOTION or FEELING into the words in order to get results.

He also said this is the biggest reason that people do not get positive results from using autosuggestion (the repetition of affirmations).

In my experience, many people are uncertain as to whether or not they are putting in enough energy or emotion into the words.

Many people are uncertain exactly how to use the affirmations to begin to get positive results.

So, what is the best way that I can help you?

“Experiential” Learning - Learn by Doing

I have found that WRITTEN instructions are generally NOT very effective in teaching you how to use affirmations. It is kind of like reading a book on singing.

Or playing a musical instrument.

Reading a book on music will not make you a great musician. In fact, it will not even make you a good musician.

Pre-recorded audio instructions whether as an audio or as a webinar are better, but they are still NOT the most effective way to help you.

Using pre-recorded affirmations are a step closer, but even then you won't get the FASTEST and most long lasting positive results.

Experiential learning is the way to go.

The best way for you to learn is for us to take about 30 minutes and **go through the affirmations together** over Skype or on the phone.

During that session, I will have you repeat 5 or 6 Power Affirmations of your choice. I will offer suggestions on how you can use them most effectively.

I will listen closely to the **TONE OF YOUR VOICE** and the **PACE** of your words so that I can determine how much positive **EMOTIONAL POWER** you are putting into those words.

I also repeat the affirmations for you so that you can listen to my tonality.

By taking the time to go through the affirmations together, you **WILL** have a better understanding as to how to use affirmations to best advantage.

You will need to use the affirmations for a long enough period of time to establish new thought habits. You can do that on your own. The purpose of the free recording session is to help you make a strong start in the right direction.

Next Steps

Here is what you need to do to get started:

1. Review the attached list of 488 Power Affirmations and select up to 5 affirmations that resonate with you right now. Alternatively, you can create your own custom affirmations for us to use in the session.

Because we will be reviewing these affirmations in depth and the session is limited to 30 minutes, we will not be able to review more than 5.

2. Email those 10 Power Affirmations to me at whmarshall@earthlink.net and request to set up your free recording session.

3. Make sure that you have Skype set up on your computer and that you send me your Skype ID.
4. Let me know your location, time zone, and the times you are available. I am in the Pacific Time zone. The best times for me are usually the evenings and weekends pacific time.
5. Once I see that we are ready to have a productive session, we will communicate via email to determine a mutually agreeable time for your session.
6. With your permission, **I will record your session for you** so that you can listen to it over and over again in order to apply the principle of repetition. I will edit the session before sending you the recording so that you get **only the “meat.”**

There is a **LOT** more information about affirmations that I could give you, but you can find most of that in other books on your own. I do not think that is what you need from me.

You do NOT need more information. You need to **APPLY** the knowledge you already have. You will learn best by DOING.

Does all of this make sense to you? If so, then follow the instructions above.

Let's get started!

If you have any questions, feel free to email me directly anytime at whmarshall@earthlink.net.
